

Dear Valued Guest,

We at Crab Louie's and Isabella's Bistro are aware of the heightened concern over the spread of COVID-19 and would like to share some of our existing procedures as well as the extra measures we are currently taking to ensure the health and safety of both our guests and staff alike.

- Any employees exhibiting any signs or symptoms of any illness will not be working and strongly encouraged to see/phone their doctor.
- Increasing space between seating. We will only be seating approximately half of our available dining tables so that we may meet the requirements of acceptable space apart from others during this time.
- As we are fortunate to work in an industry that has an elevated standard of sanitation prior to the COVID-19 concerns, we will further enhance the standards of cleaning & sanitizing of tables between seating.
- Increasing the frequency of cleaning kitchen surfaces like oven doors and refrigerator handles
- Increased bathroom checks to include the wiping down of all surfaces
- Discontinuing the use of all check presenters to our guests
- Removing all Sugar Caddies along with Salt & Pepper shakers from the table tops. These items will be available upon request & sanitized after each use
- Removing easily accessible items such as drink straws & napkins from the bar-top and placing them out of reach
- All door handles, Computer Screens & Phones will be sanitized every 30 minutes
- Menu cleaning will occur after each use before being handed out to another guest
- Enforcing more frequent hand washing for all of our staff

We would like to remind our guests who are still more comfortable staying in, that we offer our menu To-Go as well and are very experienced with a high volume of orders for consumption other than dining in our physical building!

For over 30 years, our community has trusted us to provide fresh quality food and outstanding service in in our historical, safe & friendly restaurant. We will continue to work diligently to not only maintain that level of trust but to continue going above and beyond for our guests and staff alike. Our community is important to us, so we will continue to monitor this situation and convey any updates as they occur.

Thank you for your continued support!

The staff at Crab Louie's Seafood Tavern and Isabella's Bistro
